This licence grants temporary, view-only access to a single individual for personal strategic use. Access is provided via the Author's Proton Drive.

Access Window

- 30–60 days
- View-only
- No download, no export, no offline copies

Permitted Uses

- Personal reading
- Personal analysis
- Individual decision-support

Prohibited Uses

- Downloading, copying, printing, screenshotting
- Redistribution to any other person
- Sharing with employer, colleagues, clients, or partners
- Uploading to internal systems or archives
- Ingestion into AI systems or automated tools
- Derivative works
- Commercial or client-facing use

This licence is strictly **non-transferable** and applies to **one human being only**.

Optional Upgrade: Personal Ownership Licence

+£20,000 (Total £45,000)

Grants one personal digital copy for long-term reference. All prohibitions on redistribution, sharing, and derivative use remain in force.

Corporate Licensing Path

If the individual's organisation wishes to adopt the brief:

Single-Entity Corporate Licence — £150,000 per Brief Internal use only. No subsidiaries or affiliates.

3. Proton Drive Access Terms

Proton Drive Access Terms — Personal Access Licence

Access to the Strategic Intelligence Brief is provided through a secure Proton Drive link under the following conditions:

1. Access Scope

- Access is granted to **one individual** only.
- Access is **view-only**.
- No download, export, or offline storage is permitted.
- Access expires automatically after the agreed 30–60 day window.

2. Security Requirements

The licensee must:

- Access the document only through the authorised Proton Drive link
- Use a secure, private device
- Prevent any third party from viewing or accessing the document
- Not forward, share, or replicate the link

3. Prohibited Actions

The licensee may not:

- Download, copy, print, or screenshot the document
- Share the content verbally, visually, or digitally
- Upload the content to any system, platform, or archive
- Use the content in any commercial, institutional, or client-facing context
- Ingest the content into AI systems, LLMs, or automated tools

Any breach results in immediate revocation of access.

4. Revocation

The Author may revoke access at any time in cases of:

- suspected redistribution
- attempted download or capture
- unauthorised access
- breach of licence terms

Upon revocation, the licensee must cease all access immediately.
